We're reaching out to confirm the beneficiary information on record for the policy referenced above. If you own multiple policies with us, you'll receive a separate letter for each policy confirming your beneficiaries.

PRIMARY BENEFICIARY

BENEFICIARY	SHARE	RELATIONSHIP
Andrea Axtell	100.00%	Wife

Percentages have been rounded and may not total 100%.

Important information.

Designating Surviving Spouse as the sole Primary Beneficiary allows your spouse to continue the Policy at the death of either Owner before the Annuity Commencement Date. If you name someone other than your spouse, the spouse will not be able to continue the policy and death benefits will be paid to the beneficiary listed.

Personal information, like Social Security Number/Tax Identification Number, date of birth, and contact information is intentionally left off this letter to safeguard beneficiary data. Please note that while it's not displayed here, it's important for us to have the most up-to-date information to quickly locate beneficiaries when the death benefit becomes payable.

If you need to provide or update a beneficiary's personal information, or if any of the information in this letter is incorrect, please visit us online or call a customer service professional.

You can also view your current beneficiaries online at any time.

We're here to help. If you have any questions, or need additional assistance, please contact your Financial Professional or call us at 1-800-762-6212.

We appreciate the opportunity to serve you.
