Hobbs IONS Community Group	Hobbs	NM	United States		The IONS Hobbs Community Group meets on the fourth Sunday of every month. We begin with a check-in from each member, then move to a meditation and on to the program. Each member chooses a month and facilitates the topic and the program for that month's meeting.	Located on the Southeastern New Mexico/West Texas state line, we have big sky and even bigger sunsets... desert...no tall trees to block the view! Meetings begin with a group meditation; sometimes followed by a video to "get us started" on a common dialogue. Always, each person attending has the opportunity to speak and to share their personal story. Being a state-line group, we have folks attending from several communities in New Mexico and Texas. Some of the communities are Hobbs, Lovington and Carlsbad, New Mexico; Seminole, Plains, Andrews and Midland, Texas. We welcome new attendees. Meetings are held on the 4th Sunday of each month at Elite Home Care and various member's homes. Each member is assigned a month and brings a presentation for their month. Sacramento IONS Community Group	Sacramento	CA	United States		SacIONS presents programs that expand the understanding of human possibility by investigating aspects of mind, consciousness, and spirit. We holds meetings that may include well-known national and local speakers from organizations that reflect our vision and mission as well as topics presented by members. The meetings are held locally and often include co-presenting with other non-profit organizations, such as our current major partner, Unity of Sacramento. SacIONS DISCOVERY GROUPS SacIONS supports and encourages the creation of study groups by its members. These groups bring diversity of perspective and foster connection through exploration, dialogue, and service. Each group is self-organizing and self-directed. Their endeavors can result in a presentation at one of the general meetings, increasing the knowledge and wisdom of all members. Our currently active DG's are the Inner Work Group and the Video Viewing Circle. We periodically run short-term Discovery Groups on specific topics, such as the immensely popular IONS educational program, Conscious Aging.	SacIONS, the Sacramento Community Group of the Institute of Noetic Sciences (http: //www.noetic.org/) is a 501(c)(3) non-profit membership organization that is affiliated with and supports the programs of the Institute of Noetic Sciences (IONS) in its vision and mission to explore the frontiers of consciousness. SacIONS MISSION STATEMENT SacIONS supports our personal and collective quest for healing, wholeness, connection, transformation and community-building and contributes to bringing about a humane, sustainable and peaceful world.
