Precepts for children and young people:

1. All things are precious and to be respected. I will learn ways to protect people, animals and plants and try to care for them all in the way I would like to be cared for myself.

2. I will not take the things that belong to others and will try to share my own things as much as I can.

3. I will try to say things that are true and helpful, being honest to myself and a friend to others.

4. I will be loving and respectul of myself and others in all our touching-keeping my own promises and respecting those of others.

5. I will keep my body healthy and my mind calm and clear and avoid things that will weaken and confuse me.
