Lieutenant-Governour and Commander in Chief, in and over His Majesty's Province of the *Massachusetts-Bay* in *New-England*.

A PROCLAMATION.

WHEREAS the Tribe of *Penobscot* Indians have repeatedly in a perfidious Manner acted contrary to their solemn Submission unto His Majesty long since made and frequently renewed;

I have therefore, at the Desire of the House of Representatives, with the Advice of His Majesty's Council, thought fit to issue this Proclamation, and to declare the Penobscot Tribe of Indians to be Enemies, Rebels and Traitors to His Majesty King *GEORGE* the Second: And I do hereby require His Majesty's Subjects of this Province to embrace all Opportunities of pursuing, captivating, killing and destroying all and every of the aforesaid Indians.

AND WHEREAS the General Court of this Province have voted that a Bounty or Incouragement be granted and allowed to be paid out of the Publick Treasury, to the marching Forces that shall have been employed for the Defence of the *Eastern* and *Western* Frontiers, from the *First* to the *Twenty-fifth* of this Instant *November*;

I have thought fit to publish the same; and I do hereby Promise, That there shall be paid out of the Province-Treasury to all and any of the said Forces, over and above their Bounty upon Inlistment, their Wages and Subsistence, the Premiums or Bounty following, viz.

For every Male *Penobscot* Indian above the Age of Twelve Years, that shall be taken within the Time aforesaid and brought to *Boston*, *Fifty Pounds*.

For every Scalp of a Male *Penobscot* Indian above the Age aforesaid, brought in as Evidence of their being killed as aforesaid, *Forty Pounds*.

For every Female *Penobscot* Indian taken and brought in as aforesaid, and for every Male Indian Prisoner under the Age of Twelve Years, taken and brought in as aforesaid, *Twenty-five Pounds*.

For every Scalp of such Female Indian or Male Indian under the Age of Twelve Years, that shall be killed and brought in as Evidence of their being killed as aforesaid, *Twenty Pounds*.

Given at the Council-Chamber in *Boston*, this Third Day of *November* 1755, and in the Twenty-ninth Year of the Reign of our Sovereign Lord *GEORGE* the Second, by the Grace of GOD of *Great-Britain*, *France* and *Ireland*, KING, Defender of the Faith, &c.

By His Honour's Command,
J. Willard, Secr.

S. Phips.

GOD Save the KING.

Prayer for Healing and Openness

My fate is twined with the fate of destiny, held in perpetuity with all life, spiraling all the way back to the beginning of time. As I move toward my highest expression, the wisdom of ages is wrapped around me like a cloak; it moves with me, shifting to match my own unique rhythm and then integrating that rhythm into the movement of creation. Let that cloak be a comfort to me in times of trial. Allow me to open myself to this wisdom and let it soften my defenses against it, knowing that any pain that I feel during this process is caused by denying the wise enticement of my own true heart. I seek to become a willing vessel and to open my heart completely to those whom fate has drawn toward me. Allow me to see them, not through the obscured vision of my own wounding, or the defensive shelter created by theirs, but with the clarity of vision that can reveal their soul to me. Give me strength to remain seated in this pursuit beyond the levels of my own discomfort and fear, so that I may become the boundless being that you have created me to be, capable of embracing all life and capable of giving and receiving all of the love that the divine spirit holds for me.

Kci woliwon, n'dilnabamuk.

My heart thanks you, for all of my relations.
