Decode Your Trauma Seminar - DAY 1 Notes by Andy

Hand notes

Monday 4/27/2026

What we'll cover today

- How to identify your traumatic events
- Overt versus covert trauma (and why sometimes more subtle, covert traumatic events can be more damaging than traditionally understood traumas)
- The danger of normalisation

Feel less alone

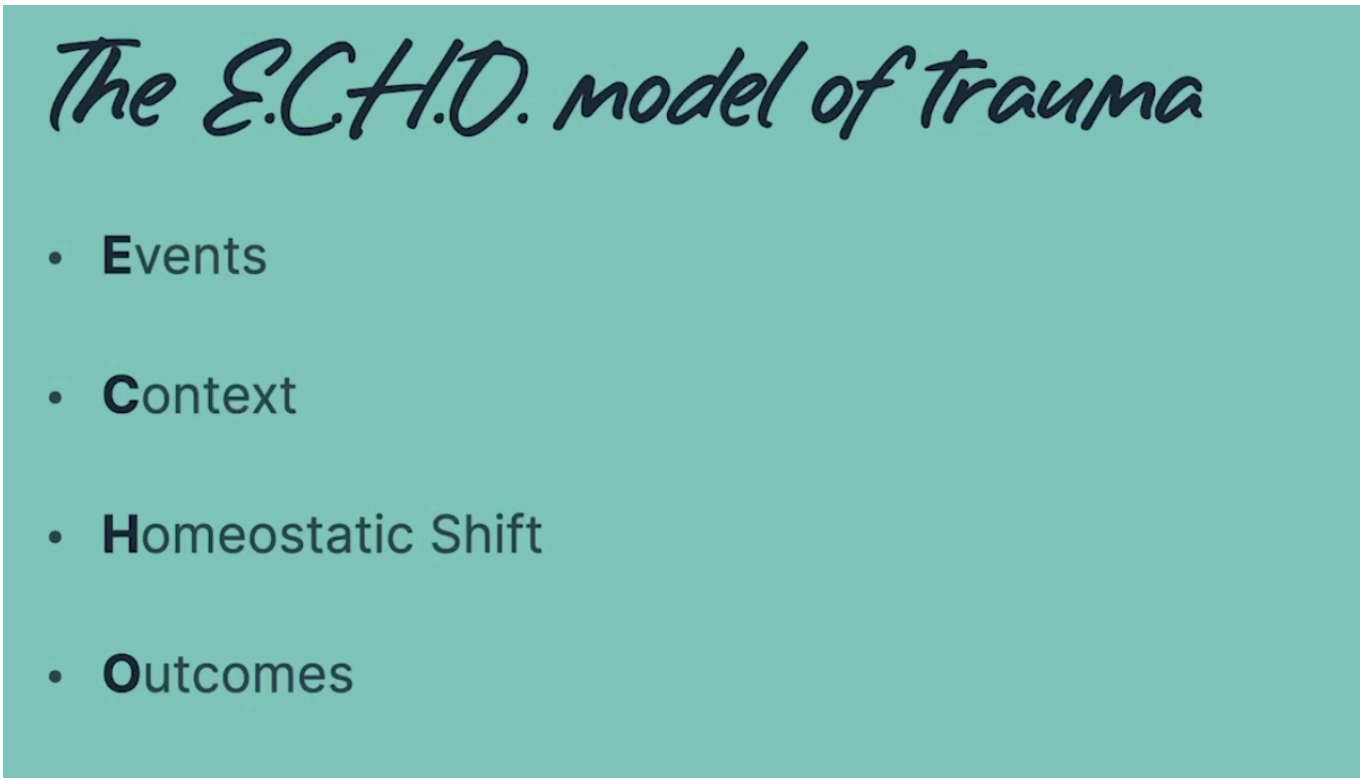

"wait for answers to come or do something about it"

found many answers

therapeutic coaching training
